4. Privacy and Information Security

We make security and the protection of your information a top priority. You can access our Privacy Policy at [SGBCOnline.com](https://www.zellepay.com/privacy-policy), which Privacy Policy is incorporated into and made a part of this *Zelle* Terms of Use by this reference.

5. Wireless Operator Data

We or *Zelle* may use information on file with your wireless operator to further verify your identity and to protect against or prevent actual or potential fraud or unauthorized use of the Service. By using the Service, you authorize your wireless operator (AT & T, Sprint, T-Mobile, US Cellular, Verizon, or any other branded wireless operator) to use your mobile number, name, address, email, network status, customer type, customer role, billing type, mobile device identifiers (IMSI and IMEI) and other subscriber status details, if available, solely to allow verification of your identity and to compare information you have provided to us or to *Zelle* with your wireless operator account profile information for the duration of our business relationship. See *zelle's* Privacy Policy <https://www.zellepay.com/privacy-policy> for how it treats your data.

6. Enrolling for the Service

- a. You must provide us with an email address that you regularly use and intend to use regularly (i.e., no disposable email addresses) and a permanent U.S. mobile phone number that you intend to use for an extended period of time (i.e., no "burner" numbers). You may not enroll in the Service with a landline phone number, Google Voice number, or Voice over Internet Protocol.
- b. Once enrolled, you may:
 - i. authorize a debit of your account to send money to another User either at your initiation or at the request of that User; and
 - ii. receive money from another User either at that User's initiation or at your request, subject to the conditions of the Section below titled "Requesting Money."
- c. If at any time while you are enrolled, you do not send or receive money using the Service for a period of 18 consecutive months, we may contact you and/or take other steps to confirm that the U.S. mobile phone number or email address that you enrolled still belongs to you. If we are unable to confirm that you are the owner of the mobile phone number or email address, then you understand that we may cancel your enrollment and you will not be able to send or receive money with the Service until you enroll again.
- d. Once enrolled, a Z logo will appear on your profile picture for each U.S. mobile number and/or email address that you have enrolled with *Zelle*. The Z logo will be displayed to other Users to aid them in determining which of your U.S. mobile numbers or email addresses should be used to send money with *Zelle*. If a User sends you money using a different U.S. mobile number or email address that they may have for you (one that is not already enrolled), you will receive a message with instructions on how to enroll with *Zelle*.

7. Consent to Emails and Automated Text Messages.

By participating as a User, you represent that you are the owner of the email address, mobile phone number, and/or other alias you enrolled, or that you have the delegated legal authority to act on behalf of the owner of such email address, mobile phone number and/or other alias to send or receive money as described in this *Zelle* Terms of Use. You consent to the receipt of emails or text messages from us, from *Zelle*, from other Users that are sending you money or requesting money from you, and from other Network Banks or their agents regarding the Services or related transfers between Network Banks and you. You agree that we may, *Zelle* may or either of our agents may use automatic telephone dialing systems in connection with text messages sent to any mobile phone number you enroll. You further acknowledge and agree:

- a. You are responsible for any fees or other charges that your wireless carrier may charge for any related data, text or other message services, including without limitation for short message service. Please check your mobile service agreement for details or applicable fees.
- b. You will immediately notify us if any email address or mobile phone number you have enrolled is (i) surrendered by you, or (ii) changed by you.
- c. In the case of any messages that you may send through either us or *Zelle* or that we may send or *Zelle* may send on your behalf to an email address or mobile phone number, you represent that you have obtained the consent of the recipient of such emails or automated text messages to send such emails or text messages to the recipient. You understand and agree that any emails or text messages that we send or that *Zelle* sends on your behalf may include your name.
- d. Your wireless carrier is not liable for any delay or failure to deliver any message sent to or from us or *Zelle*, including messages that you may send through us or through *Zelle* or that we may send or *Zelle* may send on your behalf.
- e. To cancel text messaging from us, send STOP to 20736. For help or information regarding text messaging, send HELP to 20736 or contact our customer service at 229-382-4211 or 888-782-4211. You expressly consent to receipt of a text message to confirm your "STOP" request.

8. Receiving Money; Money Transfers by Network Banks

All transfers of money to you shall be performed by a Network Bank per the direction of that Network Bank Customer and at all times subject to the terms and conditions of the relevant service agreement between that Network Bank and its customer, including without limitation any restrictions or prohibitions on permissible transactions. Once a User initiates a transfer of money to your email address or mobile phone number enrolled with the Service, you have no ability to stop the transfer. By using the Service, you agree and authorize us to initiate credit entries to the bank account you have enrolled.

Most transfers of money to you from other Users will occur within minutes. There may be other circumstances when the payment may take longer. For example, in order to protect you, us, *Zelle* and the other Network Banks, we may need or *Zelle* may need additional time to verify your identity or the identity of the person sending the money. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. If we delay or block a payment that you have initiated through a request for money, we will notify you in accordance with your User preferences (i.e. email, push notification).

If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this *Zelle* Terms of Use and the procedures of the business or government agency that is sending you the payment.

9. Sending Money; Debits by Network Banks

You may send money to another User at your initiation or in response to that User's request for money. You understand that use of this Service by you shall at all times be subject to (i) this *Zelle* Terms of Use, and (ii) your express authorization at the time of the transaction for us to initiate a debit entry to your bank account. You understand that when you send the payment, you will have no ability to stop it. If the person you sent money to has already enrolled with *Zelle*, either in the *Zelle* mobile app or with a Network Bank, the money is sent directly to their bank account (except as otherwise provided below) and may not be canceled or revoked.

In most cases, when you are sending money to another user, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, *Zelle* and the other Network Banks, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with *Zelle*, either in the *Zelle* mobile app or with a Network Bank, they will receive a text or email notification instructing them on how to enroll to receive the money. You understand and acknowledge that a person to whom you are sending money and who is not enrolled as a User may fail to enroll with *Zelle*, or otherwise ignore the payment notification, and the transfer may not occur.

The money may also be delayed or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify you in accordance with your User preferences (i.e. email, push notification).

We have no control over the actions of other Users, other Network Banks or other financial institutions that could delay or prevent your money from being delivered to the intended User.

10. Liability.

Neither we nor *Zelle* shall have liability to you for any transfers of money, including without limitation, (i) any failure, through no fault of us or *Zelle* to complete a transaction in the correct amount, or (ii) any related losses or damages. Neither we nor *Zelle* shall be liable for any typos or keystroke errors that you may make when using the Service.

THE SERVICE IS INTENDED FOR SENDING MONEY TO FAMILY, FRIENDS AND others whom you trust. YOU SHOULD NOT USE ZELLE TO SEND MONEY TO PERSONS with whom you are not familiar or you do not trust. *Zelle* does not offer a protection program for authorized payments made through the service (for example, if you do not receive the goods or services that you paid for, or the goods or services that you received are damaged or are otherwise not what you expected).

11. Send Limits

We reserve the right, at any time in our sole discretion, to impose limits on the amount(s) and/or number of payments you may send, receive, or request over a certain period of time. If you attempt to send, receive, or request payment(s) in excess of your limit, such payment may be rejected. If you are permitted to send, receive, or request payment(s) in excess of your limit, such payment shall be subject to these *Zelle* Terms of Use, and we are not obligated to accept similar payment(s) at other times. The current daily limit for sending money is \$300.00 per transaction and \$300.00 over any calendar day, commencing 12:00 A.M. Eastern Time, ending at 11:59 P.M. Eastern Time.

12. Requesting Money

You may request money from another User. You understand and acknowledge that Users to whom you send payment requests may reject or ignore your request. Neither we nor *Zelle* guarantee that you will receive money from other Users by sending a payment request, or that you will receive the amount that you request. Neither we or *Zelle* accept responsibility if the other User rejects or ignores your request, or sends you an amount that is less than you request. If a User ignores your request, we may decide or *Zelle* may decide, in our sole discretion, that we will not send a reminder or repeat request to that User.

By accepting this *Zelle* Terms of Use, you agree that you are not engaging in the business of debt collection by attempting to use the Service to request money for the payment or collection of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend and hold harmless *Zelle*, its owners, directors, officers agents and Network Banks from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any request for money that you send that is related to overdue or delinquent amounts.

You agree to receive money requests from other Users, and to only send requests for legitimate and lawful purposes. Requests for money are solely between the sender and recipient and are not reviewed or verified by us or by *Zelle*. Neither we nor *Zelle* assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the sender of a request for money.

We reserve the right, but assume no obligation, to terminate your ability to send requests for money in general, or to specific recipients, if we deem such requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.

13. Error Resolution

In Case of Errors or Questions About Your Electronic Transfers Telephone us at 229-382-4211 or 888-782-4211. Write us at PO Box 1505, Tifton GA, 31793 or email us at mobilecustservice@srgbconline.com as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

14. Unauthorized Transactions

Tell us AT ONCE if you believe your online banking password, biometric or passcode has been compromised, or if you believe that an electronic fund transfer has been made without your permission. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the theft of your online banking password, biometric or

passcode, you can lose no more than \$50 if someone used your password, biometric or passcode without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your password, biometric or passcode, and we can prove we could have stopped someone from using your password, biometric or passcode without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

If you believe your password, biometric or passcode has been stolen, call: (229) 382-4211 or (888) 782-4211 or write: South Georgia Banking Company, P.O. Box 1505. Tifton, GA 31793 or email us at mobilecustservice@sgbconline.com.

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

15. Liability for Failure to Complete Transfers

If we do not complete a transfer to or from your account on time, or in the correct amount according to your agreement with us, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer.
- If the transfer would go over the credit limit on your overdraft line.
- If the automated teller machine where you are making the transfer does not have enough cash.
- If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- There may be other exceptions stated in your agreement with us.

16. Fees

There is no fee to use the Service; however, regular charges will apply to your account(s), as applicable. We may at any time change the fees that apply to the Service. We will give you reasonable notice of such change as required by law.

If we process a transaction in accordance with your instructions that overdraws your account with us, we may assess a fee for any such overdraft in accordance with the terms of the Deposit Account Agreements and Disclosures. We will not be liable for failure to pay any transfer request unless it is drawn against available funds in the designated Account. You will be responsible for paying any telephone company or utility charges and/or Internet access service fees incurred while using telephone lines and/or Internet access services to connect with the Service.

17. Use of Our On-line Banking Site and/or Mobile App

19. Right to Terminate Access

In the event you violate any terms of this *Zelle* Terms of Use Agreement, there are unauthorized or fraudulent transactions related to your Funding Account, Deposit Account or use of the Transfer Service, or we have problems with your use of the *Zelle* Service, you agree that we may suspend or terminate your access to the *Zelle* Service at any time.

IF YOU ARE DISSATISFIED WITH *ZELLE'S* SERVICE OR WITH THE TERMS OF THIS *ZELLE* TERMS OF USE, YOUR SOLE AND EXCLUSIVE REMEDY IS TO DISCONTINUE USING THE SERVICE.

IN THOSE STATES WHERE THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES MAY NOT APPLY, ANY LIABILITY OF *ZELLE*, ITS OWNERS, DIRECTORS, OFFICERS AND AGENTS OR THE NETWORK BANKS LIABILITY IN THOSE STATES IS LIMITED AND WARRANTIES ARE EXCLUDED TO THE GREATEST EXTENT PERMITTED BY LAW, BUT SHALL, IN NO EVENT, EXCEED ONE HUNDRED DOLLARS (\$100.00).

22. Indemnification

You acknowledge and agree that you are personally responsible for your conduct while using the Service, and except as otherwise provided in this *Zelle* Terms of Use, you agree to indemnify, defend and hold harmless *Zelle*, its owners, directors, officers, agents and Network Banks from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorneys' fees, resulting from or arising out of your use, misuse, errors, or inability to use the Service, or any violation by you of the terms of this *Zelle* Terms of Use.

23. Governing Law; Choice of Law; Severability
